

MOMENT OF SILENCE

The Maggie L. Walker Governor's School Regional Board recognizes that a moment of silence before each school day prepares students and staff for their respective work or school days. Therefore, each teacher shall observe a moment of silence at the beginning of the first class of each school day.

The teacher responsible for each class shall make sure that each student: (1) remains seated and silent and (2) does not disrupt or distract other students during the moment of silence. The moment may be used for any lawful silent activity, including personal reflection, prayer and meditation. Teachers shall not influence, in any way, students to pray or meditate or not to pray or meditate during the moment of silence.
