

HOMELESS CHILDREN

The Maggie L. Walker Governor's School Regional Board is committed to educating homeless children and youth that have been accepted into the MLWGS program. Homeless children and youth are not stigmatized or segregated on the basis of their status as homeless. Students identified are referred to their sending home district for services with relevant local social services agencies and other agencies and programs providing services to such students, and with other school divisions as may be necessary to resolve interdivisional issues.
