

## **RELATIONS WITH LAW ENFORCEMENT AUTHORITIES**

### Investigations by Law Enforcement Officers at School

When it becomes necessary for any law enforcement officer to interrogate a student on school premises, the director is contacted immediately. The director or director's designee makes a reasonable effort to contact the parent or guardian and have the parent or guardian in attendance for the conference. If the parent or guardian cannot be present for the conference, then the director or director's designee is present throughout the interrogation.

### Service of Process at School

Should there be a need to serve a student or school employee with any "legal process", the Regional School Board encourages the process server to make all reasonable attempts to serve such documents off school premises; however, if the documents must be served on school premises, they should be served at the director's office of the school.

In any case in which custody or visitation of a minor child is at issue and a summons is issued for the attendance and testimony of a teacher or other school employee who is not a party to the proceeding, if such summons is served on school property, it may be served only by a sheriff or his deputy.

### Development of Programs

The director or designee seeks as needed, in cooperation with the participating school divisions juvenile and domestic relations court judges and personnel, parents, and the community at large, programs and procedures to prevent violence and crime on school property and at school-sponsored events. The director obtains and uses Sex Offender Registry information.

Except as may otherwise be required by federal law, regulation or jurisprudence, the director or designee immediately reports to local law-enforcement officials all incidents listed below that may constitute a criminal offense:

1. assault and battery which results in bodily injury, sexual assault, death, shooting, stabbing, cutting, or wounding of any person or stalking of any person as described in Va. Code § 18.2-60.3, on a school bus, on school property or at a school-sponsored activity; or
2. any conduct involving alcohol, marijuana, a controlled substance, imitation controlled substance or an anabolic steroid on a school bus, on school property or at a school-sponsored activity, including the theft of or attempted theft of student prescription medications; or
3. any threats against school personnel while on a school bus, on school property or at school-sponsored activity; or
4. the illegal carrying of a firearm, as defined by Va. Code § 22.1-277.07, onto school property;
5. any illegal conduct involving firebombs, explosive materials or devices, or hoax explosive devices, as defined in Va. Code § 18.2-85, or explosive or incendiary

devices, as defined in Va. Code § 18.2-433.1 or chemical bombs, as described in Va. Code § 18.2-87.1, on a school bus, on school property or at a school-sponsored activity; or

6. any threats or false threats to bomb, as described in Va. Code § 18.2-83, made against school personnel or involving school property or school buses.

The director or designee may report to local law enforcement officials any incident involving the assault or assault and battery, without bodily injury, of any person on a school bus, on school property or at a school-sponsored activity.
