

REDUCTION IN PROFESSIONAL STAFF WORK FORCE

A decrease in enrollment, abolition of particular subjects, a decrease in the Regional School Board's budget as approved by the appropriating bodies, the phasing out of programs, departments or grade levels and other conditions may cause a reduction in the number of staff needed in the building, program or department.

General reduction in total personnel and redistribution of personnel within designated programs shall be done in accordance with regulations adopted by the Regional School Board. The regulations will not provide for reductions to be made solely on the basis of seniority; they will include consideration of the performance evaluations of the teachers potentially affected by the reduction in workforce.
