III. Complaint Procedure

A. Formal Procedure

1. File Report

Any student or school personnel who believes he or she has been the victim of harassment prohibited by law or by this policy by a student, school personnel or a third party should report the alleged harassment to one of the Compliance Officers designated in this policy or to any school personnel. The alleged harassment should be reported as soon as possible, and the report generally should be made within fifteen (15) school days of the occurrence. Further, any student who has knowledge of conduct which may constitute prohibited harassment should report such conduct to one of the Compliance Officers designated in this policy or to any school personnel. Any school personnel who has notice that a student or other school personnel may have been a victim of prohibited harassment shall immediately report the alleged harassment to one of the Compliance Officers designated in this policy.

The reporting party should use the form, Report of Harassment-Employee, 5011-F, to make complaints of harassment. However, oral reports and other written reports are also accepted. The complaint should be filed with either the Director or one of the Compliance Officers designated in this policy. The Director shall immediately forward any report of alleged prohibited harassment to the Compliance Officer. Any complaint that involves the Compliance Officer or Director shall be reported to the Chairman of the Superintendent's Steering Committee.

The complaint, and identity of the complainant and alleged harasser, will be disclosed only to the extent necessary to fully investigate the complaint and only when such disclosure is required or permitted by law. Additionally, a complainant who wishes to remain anonymous shall be advised that such confidentiality may limit the School's ability to fully respond to the complaint.

2. Investigation

Upon receipt of a report of alleged prohibited harassment, the Compliance Officer shall immediately authorize or undertake an investigation. The investigation

may be conducted by school personnel or a third party designated by the school. The investigation shall be completed as soon as practicable, which generally should be not later than 14 school days after receipt of the report by the Compliance Officer. Upon receiving the complaint, the Compliance Officer shall acknowledge receipt of the complaint by giving written notice that the complaint has been received to both the person complaining of harassment and the person accused of harassment. Also upon receiving the complaint, the Compliance Officer shall determine whether interim measures should be taken pending the outcome of the investigation. Such interim measures may include, but are not limited to, separating the alleged harasser and the complainant and, in cases involving potential criminal conduct, determining whether law enforcement officials should be notified. If the Compliance Officer determines that more than 14 school days will be required to investigate the complaint, the complainant and the accused shall be notified of the reason for the extended investigation and of the date by which the investigation will be concluded. If the alleged harassment may also constitute child abuse, then it must be reported to the Department of Social Service.

The investigation may consist of personal interviews with the complainant, the alleged harasser, and any others who may have knowledge of the alleged harassment or the circumstances giving rise to the complaint. The investigation will consider witnesses and evidence from both the alleged harasser and the person allegedly harassed. The investigation may also consist of the inspection of any other documents or information deemed relevant by the investigator. Maggie L. Walker Governor's School shall take necessary steps to protect the complainant and others pending the completion of the investigation.

In determining whether alleged conduct constitutes a violation of this policy, the division shall consider, at a minimum: (1) the surrounding circumstances; (2) the nature of the behavior; (3) past incidents or past or continuing patterns of behavior; (4) the relationship between the parties; (5) how often the conduct occurred; (6) the identity of the alleged perpetrator in relation to the alleged victim (i.e. whether the alleged perpetrator was in a position of power over the alleged victim); (7) the location of the alleged harassment; (8) the ages of the parties and (9) the context in which the alleged incidents occurred. Whether a particular action or incident constitutes a violation of this policy requires a case by case determination based on all of the facts and circumstances revealed after a complete and thorough investigation.

The Compliance Officer shall issue a written report to the Director upon completion of the investigation. If the complaint involves the Director, then the report shall be sent to the Chairman of the Superintendent's Steering Committee. The report shall include a determination of whether the allegations are substantiated, whether this policy was violated and recommendations for corrective action, if any.

All employees shall cooperate with any investigation of alleged harassment conducted under this policy or by an appropriate state or federal agency.

3. Action by Director

Within 5 school days of receiving the Compliance Officer's report, the Director or designee shall issue a decision regarding whether this policy was violated. This decision must be provided in writing to the complainant and the alleged perpetrator. If the Director or designee determines that it is more likely than not that prohibited harassment occurred, the Maggie L. Walker Governor's School shall take prompt, appropriate action to address and remedy the violation as well as prevent any recurrence. Such action may include discipline up to and including expulsion or discharge. Whether or not the Director or designee determines that prohibited harassment occurred, the Director or designee may determine that school-wide training be conducted or that the complainant receives counseling.

4. Appeal

If the director or director's designee determines that no prohibited harassment occurred, the employee or student who was allegedly subjected to harassment may appeal this finding to the Chairman of the Superintendent's Steering Committee within 5 school days of receiving the decision. Notice of appeal must be filed with the Director who shall forward the record to the Chairman of the Superintendent's Steering Committee. The Chairman of the Superintendent's Steering Committee shall make a decision within 30 school days of receiving the record. The Chairman of the Superintendent's Steering Committee may ask for oral or written argument from the aggrieved party, the Director and any other individual the Chairman of the Superintendent's Steering Committee deems relevant. Written notice of the Chairman of the Superintendent's Steering Committee's decision will be given to both the alleged harasser and the person allegedly harassed.

If the director or director's designee determines that prohibited harassment occurred and discipline is imposed, the disciplined person may appeal the disciplinary sanction in the same manner as any other such sanction would be appealed.

Employees may choose to pursue their complaints under this policy through the relevant employee grievance procedure instead of the complaint procedure in this policy.
