

SCHOOL CLOSINGS

The director or director's designee may order the closing, the delay in opening or the early dismissal in order to protect the safety and welfare of the students and staff.

Unless employees are notified that their work schedule is changed because of adverse weather or emergency conditions, it is expected that all employees will work according to the terms of their contract and school policy.

During adverse weather or emergency conditions, employees follow guidelines from the director related to work schedules. The guidelines may be reviewed by the regional school board.
