

ADMINISTRATION OF SURVEYS AND QUESTIONNAIRES

I. Instructional Materials and Surveys

A. Inspection of Instructional Materials

All instructional materials, including teacher's manuals, films, tapes, or other supplementary material used in connection with any survey, analysis, or evaluation of applicable programming are available for inspection by the parents or guardians of the student in accordance with Policy 6000 Requests for Public Records.

B. Participation in Surveys and Evaluations

No student is required to submit to a survey, analysis, or evaluation that reveals information concerning

- (1) political affiliations or beliefs of the student or the student's parent,
- (2) mental or psychological problems of the student or the student's family,
- (3) sex behavior or attitudes,
- (4) illegal, anti-social, self-incriminating, or demeaning behavior,
- (5) critical appraisals of other individuals with whom respondents have close family relationships,
- (6) legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers,
- (7) religious practices, affiliations, or beliefs of the student or student's parent, or
- (8) income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program), without the prior consent of the student (if the student is an adult or emancipated minor), or in the case of an unemancipated minor, without the prior written consent of the parent.

C. Surveys Requesting Sexual Information

In any case in which a questionnaire or survey requesting that students provide sexual information, mental health information, medical information, information on student health risk behaviors pursuant to Va. Code § [32.1-73.8](#), other information on controlled substance use, or any other information that the Regional School Board deems to be sensitive in nature is to be administered, the Regional School Board notifies the parent concerning the administration of such questionnaire or survey in writing at least 30 days prior to its administration. The notice informs the parent of the nature and types of questions included in the questionnaire or survey, the purposes and age-appropriateness of the questionnaire or survey, how information collected by the questionnaire or survey will be used, who will have access to such information, the steps that will be taken to protect student privacy, and whether and how any findings or results will be disclosed. In any case in which a questionnaire or survey is required by state law or is requested by a state agency, the relevant state agency shall provide the Regional School Board with all information required to be included in the notice to parents. The

parent has the right to review the questionnaire or survey in a manner mutually agreed upon by the school and the parent and exempt the parent's child from participating in the questionnaire or survey. Unless required by federal or state law or regulation, school personnel administering any such questionnaire or survey do not disclose personally identifiable information.

D. Additional Protections

In the event of the administration or distribution of a survey containing one or more of the subjects listed in subsection I.B. above, the privacy of students to whom the survey is administered is protected by ensuring that no personally identifiable information will be disclosed unless required by law or the information indicates a risk of harm to self or others.

II. Physical Examinations and Screenings

Maggie L. Walker Governor's School does not administer any physical examinations or screenings other than

- those required by Virginia law, and
- surveys administered to a student in accordance with the Individuals with Disabilities Education Act.

III. Commercial Use of Information

Questionnaires and surveys are not administered to students during the regular school day or at school-sponsored events without written, informed parental consent when participation in such questionnaire or survey may subsequently result in the sale for commercial purposes of personal information regarding the individual student.

This subsection does not apply to the collection, disclosure, or use of personal information collected from students for the exclusive purpose of developing, evaluating, or providing educational products or services for, or to, students or educational institutions, such as the following:

- college or other postsecondary education recruitment, or military recruitment;
- book clubs, magazines, and programs providing access to low-cost literary products;
- curriculum and instructional materials used by secondary schools;
- tests and assessments used by secondary schools to provide cognitive, evaluative, diagnostic, clinical, aptitude, or achievement information about students (or to generate other statistically useful data for the purpose of securing such tests and assessments) and the subsequent analysis and public release of the aggregate data from such tests and assessments;
- the sale by students of products or services to raise funds for school-related or education-related activities; and
- student recognition programs.

IV. Notification

Notification of Policies

The Regional School Board provides notice of this policy directly to parents of students annually at the beginning of the school year and within a reasonable period of time after any substantive change in the policy. The Regional School Board also offers an opportunity for the parent (or emancipated student) to opt the student out of participation in

- activities involving the collection, disclosure, or use of personal information collected from students for the purpose of marketing or for selling that information (or otherwise providing that information to others for that purpose);

 - required as a condition of attendance;

- activities involving the collection, disclosure, or use of personal information collected from students for the purpose of marketing or for selling that information (or otherwise providing that information to others for that purpose);
