

STAFF RESEARCH AND PUBLISHING

The Maggie L. Walker Governor's School Regional Board encourages employee innovation in creating and developing high-quality materials to improve student achievement and the efficiency of division operations. The director may establish regulations pursuant to which the ownership rights to works produced by employees within the scope of their employment may be assigned.

Employees who develop materials, including instructional materials and computer programs, outside the scope of their employment that have a connection to or are related to the school shall inform the director in writing of their intent to develop such materials prior to commencing work.
