

REQUESTS FOR PUBLIC RECORDS

Maggie L. Walker Governor's School Regional Board is committed to full compliance with the Virginia's Freedom of Information Act (FOIA), and processes all requests for public records in accordance with the following procedures.

Mr. Michael 'Max' Smith is Maggie L. Walker Governor's School Regional Board's FOIA Officer. The FOIA Officer serves as a point of contact for members of the public in requesting public records and coordinates the Regional School Board's compliance with FOIA. The FOIA Officer may be reached at 1000 N. Lombardy Street, Richmond, VA 23220. 804-354-6800x1001. Email: msmith@gsgis.k12.va.us.

Access to Records

1. When practicable, records are available on request at Maggie L. Walker Governor's School.
2. Unless otherwise specified by the FOIA Officer, inspection of records takes place at the office of Maggie L. Walker Governor's School during its regular office hours and records are not removed from that site. Copies may be requested in lieu of or at the time of inspection, subject to the charges listed below. Nonexempt records maintained in an electronic database are produced in any tangible medium or format identified by the requester that is regularly used in the ordinary course of business by Maggie L. Walker Governor's School, including posting the records on a website or delivering the records through an electronic mail address provided by the requester.
 - Requesters must provide their legal name and address and verification that the requester is a citizen of the Commonwealth, a representative of a newspaper or magazine with circulation in the Commonwealth, or a representative of a radio or television station broadcasting in or into the Commonwealth.
5. The FOIA Officer is present during inspection or copying of records. A record of each inspection is made, using Form 6000.b Record of Inspection and/or Delivery of Copies.

Request Procedures

1. Requests for access to records shall be made with reasonable specificity.
2. Requests shall be directed to the FOIA Officer at Maggie L. Walker Governor's School office at:
1000 N. Lombardy Street, Richmond, VA 23220. Phone 804-354-6800. Fax 804-354-6939
3. Requesters should make their requests using Form 6000.a Request for Public Records. Requests received at the office via telephone are transcribed onto Form 6000.b Request for Public Records by office staff. Written requests other than on Form 6000.a Request for Public Records are appended to a copy of the form by office staff, who fill out as much of the form as possible.
4. Regional School Board staff provide Form 6000.a Request for Public Records and a copy of this regulation upon request to any person interested in obtaining access to records. Telephone inquiries are redirected to the FOIA Officer. Any written requests received by

building personnel are immediately forwarded to the FOIA Officer with a notation indicating the date and time the request was received.

Responding to Requests

1. Promptly, but in all cases within five working days of receiving the request, the school provides the requested records to the requester or makes one of the following responses in writing:
 - (a) The requested records are being entirely withheld. The response will identify with reasonable particularity the volume and subject matter of the withheld records, and, with respect to each category of withheld records, cite the specific Virginia Code section(s) or other law that authorizes the withholding of the records.
 - (b) The requested records are being provided in part and are being withheld in part. The response will identify with reasonable particularity the subject matter of the withheld portions and cite, with respect to each category of withheld records, the specific Virginia Code section(s) or other law which authorizes the withholding of the records.
 - (c) The requested records could not be found or do not exist. If the school knows that another public body has the requested records, the response includes contact information for the other public body.
 - (d) It is not practically possible to provide the records or to determine whether they are available within the five-day period. Such response specifies the conditions which make a response impossible. If the response is made within five working days, one of the preceding responses is provided within an additional seven-day period.

No public record is withheld in its entirety on the grounds that some portion of the public record is excluded from disclosure by law. A public record may be withheld from disclosure in its entirety only to the extent that an exclusion from disclosure applies to the entire content of the public record. Otherwise, only those portions of the public record containing information subject to an exclusion may be withheld, and all portions of the public record that are not so excluded are disclosed.

The school may petition the appropriate court for additional time to respond to a request for records when the request is for an extraordinary volume of records or requires an extraordinarily lengthy search and a response within the time outlined above will prevent the school from meeting its operational responsibilities. Before proceeding with the petition, the school will make reasonable efforts to reach an agreement with the requester concerning the production of the records requested.

2. The five-day period begins on the first working day following the day the request is received by the schools. Any time that elapses between the time the requester is notified of an advance cost determination pursuant to the procedures detailed below and the time that the requester responds to that notice is not counted in calculating the five working days.

Processing of Requests

1. The FOIA Officer after receiving a request, promptly makes an initial determination as to whether the requested records will be provided to the requester, will be withheld, either completely or in part, or if it is practically impossible to provide the requested records or to determine whether they are available within five days.
2. If the FOIA Officer is unsure whether the requested documents should be provided to the requester, legal advice is promptly sought.
3. If the FOIA Officer is uncertain whether the requested records exist or where they may be located, efforts are promptly initiated to locate the records or determine whether they exist.
4. If the requested records will be made available either in whole or in part, the FOIA Officer promptly consults with Regional School Board staff to determine the cost involved to assemble the records for inspection and copying. Where portions of individual records must be redacted prior to inspection and copying, the cost of doing this is taken into account. The following costs are charged at the rates indicated, not to exceed actual cost:
 - Staff member search time, charged by the quarter hour. Depending on the staff member(s) involved in the search, rates of \$10 to \$20 per quarter hour may apply.
 - Computer search time, charged at the rate of \$15 per quarter hour
 - Computer printouts, charged at the rate of 20 cents per page
 - Photocopies (including those necessary to perform redactions), charged at the rate of 20 cents per 8 1/2x11” black and white, single sided page.
 - Incidental out-of-pocket costs necessary to assemble the records (for example: phone, postage, or courier charges).
5. If the requester has asked for an advance determination of the cost, or if the cost is expected to exceed \$ 200, the requester shall be notified in advance of the cost associated with the request. If the cost of the request is determined to exceed \$200, the Regional School Board may, before continuing to process the request, require the requester to agree to payment of a deposit not to exceed the amount of the advance determination. The deposit shall be credited toward the final cost of supplying the requested records. No further action shall be taken until the requester responds, and the requester must agree to pay the estimated amount before any further processing of the request is performed.
6. Before processing a request for records, the FOIA Officer may require the requester to pay any amounts owed to the Regional School Board for previous requests for records that remain unpaid 30 days or more after billing.
7. If school records have been transferred to any entity, including any other public body, for storage, maintenance or archiving, the school remains the custodian of the records for purposes of responding to requests and is responsible for retrieving and supplying the records to the requester.
8. Any records to be disclosed are assembled for inspection and copying by Regional School Board staff, under the direction and supervision of the FOIA Officer.
9. Regional School Board staff are responsible for recording the date the request was received, verifying photo identification and signature and recording and assembling additional information about the request as indicated on Form 6000.a Request for Public Records.
