

MASTERS/MASTERS+30 SALARY SCHEDULE

Placement on the Masters grade of the teacher's salary schedule requires that the Master's Degree be in a teacher or teacher-related area.

Placement on the Masters+30 grade of the teacher's salary schedule requires that the 30 hours of graduate coursework be either towards an approved additional Masters, educational specialist, or doctoral degree or additional approved endorsements. Graduate hours earned toward the gifted endorsement are not included. Approval will be determined by Maggie L. Walker Governor's School administration and must be granted prior to enrollment.

Submission of official transcript is required.
