Eligibility to participate in interscholastic athletics is a privilege you earn by meeting not only the above-listed minimum standards, but also all other standards set by your League, district and school. If you have any question regarding your eligibility or are in doubt about the effect an activity might have on your eligibility, **check with your principal for interpretations and exceptions provided under League rules.** Meeting the intent and spirit of League standards will prevent you, your team, school and community from being penalized. Additionally, I give my consent and approval for my picture and name to be printed in any high school or VHSL athletic program, publication or video.

LOCAL SCHOOL DIVISIONS AND VHSL DISTRICTS MAY REQUIRE ADDITIONAL STANDARDS TO THOSE LISTED ABOVE.

MAGGIE L. WALKER GOVERNOR'S SCHOOL

Student-Athlete Concussion Policy

The General Assembly amended the *Code of Virginia* requiring each school division to develop policies and procedures regarding identification and handling of suspected concussions in student-athletes in the Commonwealth of Virginia. One part of this requirement is annual review by student-athletes and parents, information on concussions provided by the school division. This information can be provided by handouts, parent meetings, workshops and other methods individual schools deem appropriate. Included below is basic information on concussions and a Statement of Acknowledgement. This form must be signed and returned to the student-athlete's school in order to participate in any extracurricular athletic activity.

What is a concussion? A concussion is a type of brain injury that changes the way the brain normally works. A concussion is caused by a bump, blow, or jolt to the head. Concussions can also occur from a blow to the body that causes the head and brain to move rapidly back and forth. Even what seems to be a mild bump to the head can be serious.

Information provided by U.S. Department of Health and Human Services Centers for Disease Control and Prevention (CDC)

We acknowledge we have received and reviewed information provided by our school on the risk and recognition of concussions in student-athletes. We also understand review of current information on concussions shall take place annually in order to participate in Maggie Walker Governor's Schools athletic activities. To return to play after a concussion, a player must have a physician's note and pass the return to play criteria given by the Athletic trainer.
