### Definitions

As used in this policy,

"Abusive conduct" means conduct of a Regional School Board employee in the workplace that a reasonable person would find hostile and that is severe enough to cause physical harm or psychological harm to another Regional School Board employee based on a determination in which the following factors are considered: the severity, nature, and frequency of the conduct and, when applicable, the continuation of the conduct after a Regional School Board employee requests that it cease or demonstrates outward signs of physical harm or psychological harm in the face of the conduct. "Abusive conduct" includes verbal or physical conduct that a reasonable person would find threatening, intimidating, or humiliating; the gratuitous sabotage or undermining of another Regional School Board employee's work performance; attempts to exploit another Regional School Board employee's known psychological or physical vulnerability; or repeated infliction of verbal abuse, such as the use of derogatory remarks, insults, or epithets. "Abusive conduct" does not include (i) a single act, unless it is especially severe, or (ii) conduct that the Regional School Board proves with clear and convincing evidence is necessary for the furtherance of its legitimate and lawful interests.

"Abusive work environment" means a workplace in the school in which abusive conduct occurs.

"Physical harm" means a material impairment of a Regional School Board employee's physical health or bodily integrity, as documented by a licensed physician or another licensed health care provider.

"Psychological harm" means a material impairment of a Regional School Board employee's mental health, as documented by a licensed psychologist, psychiatrist, or psychotherapist or another licensed mental health care provider.
