

REGIONAL BOARD POLICY MANUAL

The Regional School Board is guided by written policies that are readily accessible to the Board, school employees, students, parents, and citizens. All school policies are reviewed at least every five years and revised as needed.

A current copy of all school policies and regulations approved by the Regional School Board are posted on the school's website and are available to employees and the public. Printed copies of the policies and regulations are available as needed to citizens who do not have online access. The director ensures that an annual announcement is made at the beginning of the school year and, for parents of students who enroll later in the academic year, at the time of enrollment, advising the public regarding the availability of the policies and regulations.
