

REPORTS OF MISSING CHILDREN

The Maggie L. Walker Governor's School receives reports of the disappearance of any child enrolled within the school from local law enforcement pursuant to Va. Code § 52-31.1.

Upon notification by a local law-enforcement agency of a child's disappearance, the director or the director's designee of the school in which the child was enrolled at the time of the disappearance indicates, by mark, in the child's cumulative record that the child has been reported as missing. Upon notification by law enforcement that the child is located, the director or director's designee removes the mark from the record.

Upon receiving a request from the school or person for copies of the cumulative records and birth certificate of any child who has been reported by a local law-enforcement agency to be missing, the school immediately notifies the law-enforcement agency that provided the report to the school of the child's disappearance of the location of the school or person requesting the cumulative records and birth certificate of the child, without alerting the requestor of such report.

For the purposes of this policy, a "mark" means an electronic or other indicator that (i) is readily apparent on the student's record and (ii) immediately alerts any school personnel that the record is that of a missing child.
