

HIRING PROCEDURES

Application

Applications will be invited from persons within and outside of Maggie L. Walker Governor's School.

Maggie L. Walker Governor's School utilizes technology to promote openings and solicit talent through an Applicant Tracking System. Applicants complete prescribed forms for all positions will be received and processed by Human Resources.

Selection

Applicants for employment as an associate director, assistant director, coordinator, athletic director, and other administrative and supervisory personnel will be interviewed by the director and/or other designated panel members.

The director will recommend contractual candidates for employment to the Regional School Board.

The director is authorized to hire temporary, part-time, or full-time administrators on an interim basis without first obtaining Regional School Board approval as may be necessary for the continued operation of the school between meetings of the Regional School Board. In such cases, the administrator shall be required to sign an agreement setting forth the terms and conditions of employment as stated in all applicable Regional School Board policies or regulations. Every such agreement shall clearly state that employment will terminate absent formal action of the Regional School Board within 45 days.

Applications from candidates for teaching positions who are not selected will be retained digitally and may be reactivated upon request in writing.
