XV. Director's Report

A. Verbal Update

• Max Smith, Acting Director's Message to Community, December 12, 2024

As many of you know, I stepped into the role of Acting Director today while Dr. Lowerre is on medical leave. Having worked here for 17 years as a teacher and assistant director, I'm very familiar with our community and our important work together. I appreciate the fine people we have on all three floors and my great partnership with Dr. Williams.

During this interim period, our primary goal is to ensure that our day-to-day operations continue seamlessly and that you feel supported. We know how much dedication and passion each of you brings to our school, and we want to assure you that I'm here to help in any way we can.

Please don't hesitate to reach out if you need anything, whether for day-to-day concerns or something more specific. I'm here to listen, support, and keep things moving forward.

I look forward to working closely with you all and maintaining the positive momentum we've built together.

Review of Budget Calendar Regulation 7003.1 Budget Calendar

The following guidelines will be used in establishing the annual budget calendar:

- A. At least one public forum will be held before December 30 to solicit public input.
- B. The budget work-session date in January will be published as part of the Regional School Board's meeting schedule and will be informative for fiscal planning purposes only.
- C. The proposed operating budget and capital improvement plan will be presented by the third Thursday in February.
- D. After the February presentation of the operating budget and capital improvement plan, a brief public synopsis of the operating budget and capital improvement plan will be

- published at least seven days before the date set for the hearing, at which any citizen shall have the right to attend and state his or her views thereon.
- E. A public hearing will be held before budget adoption in March.
- F. The budget can be adopted at its earliest in March.
- G. The Regional School Board shall annually publish the approved budget on the school's website or make the approved budget available in hard copy as needed to citizens for inspection.
- **Budget Development Public Input:** The Director will provide verbal feedback from the virtual town hall on December 10th.

• Message to the school community on December 18, 2024

From the Director: How do we determine whether to delay or close school due to inclement weather

As we begin to enter the time of year when weather events can impact school closures and delays, I thought it would be a good time to share the process that goes into how we make decisions regarding delays and closures to our school.

I would love to say that I simply shake my Magic 8 Ball and see what it says, but it is a little more complicated! First, we must remember that we serve a very large geographic footprint and that many weather events may impact one side of the region while leaving the other side untouched. Second, each of our 14 districts provides transportation to our school and will not transport students on a schedule different than their own. In other words, if a district is closed, they aren't going to operate the buses to MLWGS.

The decision process begins with a look at the weather forecasts. If we see the potential of a storm, we make sure that we have all the tools to make the decision as well as to communicate it at home. I communicate with several district superintendents and regional directors to get a feel for what they plan to do. As a general rule, we will follow the lead of our four biggest districts: Richmond, Chesterfield, Henrico, and Hanover. If three of these districts close or delay, we will follow suit. These districts account for about 85% of our student population. In the event of a split between these districts, we generally will follow Richmond as we are physically located in the city.

Once we see what the "Big Four" are doing, we will make our decision. We try very hard to make the call before 9:00 PM, but sometimes we don't have all the information that we need until the following morning. When the decision is made, we will send out an email blast through our system, post it on our website, and notify the local TV channels.

In the event that we are open, but your local district is closed, you are advised to stay home. Your absence will be excused, and you can make up any missed work. If you decide to come to school anyway, that is fine, but I want to make sure that safety comes first as you make that decision. Don't drive on unsafe roads because you are worried about missing school. Your district made the decision to close for a reason.

I hope that this sheds some light on what goes on behind the curtain as we make school closure decisions. While academic time is critically important, the safety of our students, faculty and staff, and community partners always comes first.

- **Snow Closings:** Monday, January 6, and Tuesday, January 7.
- Other Closing: Wednesday, January 8 through Friday, January 10 due to Richmond City Water Outage.

Community Service Announcement to the community on December 18, 2024

All students and parents are encouraged to check your community service hours total to make sure that you are on track to complete this requirement. Students can help their parents get onto their x2vol accounts to check to see how many hours have been earned. Each student is striving to earn a total of 140 hours while at MLWGS, or 35 hours a year. Each student should work diligently to earn these hours while learning how to be leaders in the community. If a student has questions about any of this process, please stop by Mr. Les Cook's office.

• Professional Development 2025 - Cultural Competency Training

The PD subcommittee has planned some exciting opportunities that we would like to share with you.

Please use this <u>link</u> to check out a calendar of activities for January and February 2025 (thanks, Robinette Cross and Maddie Paturel, for creating it). Also, look at the flyer below (thanks, NaKita Lee, for designing it).

In short, we will facilitate: a *Shakespeare in Politics* lecture (Sam Ulmschneider), a mentor training session (NaKita Lee and Hana Voight), a faculty-parent book discussion (Connie Hill, Christine Anderson, and Lisa Williams), and a quilting and social justice presentation (Lynn Reed)...and that's just for the first two months of the new year!

Here are a few important points regarding the faculty-parent book discussion on *Mindset: The New Psychology of Success*:

- The topic of the book is the growth vs. the fixed mindset.
- During our discussion (that will involve low pressure, interactive activities), we will explore ways that parents and teachers can work together to support students through challenges and obstacles, encourage students to take risks, and help students view mistakes (and even failure) as an opportunity for growth.
- We will focus on an important word: resilience.
- In addition to the parent-teacher discussion, we will also facilitate an activity on the book just for teachers.
- In the meantime, if you would like to participate, please let Dr. Lisa Williams know.

• The International Language Fair is on Saturday, February 22, 2025, for any interested *middle school student* in the community designed and led by Maggie Walker students.

Each workshop will allow participating students an opportunity to engage in a series of fun student-led activities, learn about languages offered at Maggie Walker, and experience the life of an MLWGS student. We believe learning about global languages and cultures allows students to

become more inclusive, inquisitive, and respectful citizens and learners who see the world with a broadened perspective.

• Japanese Exchange, March 1-15, 2025

Students from our partner school in Japan are visiting Maggie L. Walker next March. The planned dates for the visit are March 1st (Sat)– March 15th, 2024 (Sat).

Our partner school, Chiben Gakuen, is in Wakayama, Japan, about 2 hours and 30 minutes south of Kyoto via train. The exchange is supported by our school, and we are planning on having 12 high school students from Japan visit.

• Welcome International Language Teaching Assistant

The Japanese Department is pleased to send a teaching assistant from Japan, Ayaka Naito. Ayaka is a student from Shimane University and will be staying with us from today (January 14) until the end of February. She will be assisting MLWGS teacher Yoko Eshita with the Japanese classes.

• Save the Date: Night of the Dragon Auction, Saturday, March 24th.

Plans are shaping up in a wonderful way for the 23rd Annual Night of the Dragon, being held **March 24, 2025**, at the Faison Center. This year's theme is Sneaker Ball! Make your plans now to join us for this hallmark social event and the largest MLWGS fundraiser of the year. Tickets go on sale in late January.

• February Black History Month Activities at MLWGS

John Piersol (Walker English teacher on a 2-year sabbatical) will be presenting to our students via Zoom on his Taylor Teaching Award travels that allowed him to study the journey of Frederick Douglass in England and Ireland. NaKita Lee, Joy Cobb, and Dr. Lisa Williams are planning to organize a Peer Mentors field trip to the former home of Douglass in Washington DC. In addition, Wendy DeGroat is organizing a transcribe-a-thon on the writings of Douglass.

C. Regional School Board Protocols Manual 2025

Pursuant to Policy 1007-P the Regional School Board is issued at the reorganizational meeting its Protocols Manual.

D. VDOE Full Site Evaluation Report on MLWGS, October 2024

The Virginia Department of Education sponsored a full-site evaluation of Maggie L. Walker Governor's School for Government and International Studies (MLWGS) October 7-10, 2024. Participating in the evaluation were the following team members: Melissa Bach, School Coordinator/Counselor, The Governor's School at Innovation Park; Kristen Beekwilder, Biology/Research Instructor, The Governor's School of Southside Virginia; Katherine Klus, Mathematics/Research Instructor, Massanutten Governor's School; and DOE Coordinators Marc Carraway, Retired Director, Blue Ridge Virtual

Governor's School, and Dr. Rosanne Williamson, Retired Director, Mountain Vista Governor's School.

The evaluation included classroom observations and formal and informal interviews with administration; faculty; students; parents; Regional School Board members and superintendents; Superintendent-in-charge; Planning Committee members; Admissions Coordinator; Foundation Director and Board Chairman.

Maggie L. Walker Governor's School currently serves 795 students in grades 9-12 from the school divisions of Charles City, Chesterfield, Colonial Heights, Dinwiddie, Goochland, Hanover, Henrico, Hopewell, King and Queen, New Kent, Powhatan, and Prince George Counties, and the Cities of Richmond, and Petersburg.

After the team's review and evaluation, Maggie Walker Governor's School was deemed to have met or exceeded every category of the team's rubric.

The rubrics in this report summarize the commendations and recommendations made by the visiting team. It was clear to the evaluators that MLWGS continues to fulfill its mission and beliefs in terms of its comprehensive curriculum, emphasis on citizenship, and innovative instructional program. It was apparent in the hallways, classrooms, and laboratories that its vibrant community of learners is thriving. The administrators, faculty, and support staff cooperate as a team and have numerous structures in place to help each student reach academic success while maintaining social and emotional wellness. Parents are supportive of the school and overwhelmingly express that they would not wish their children in any other program.

The visiting team found many examples of exceptional inquiry-based teaching, students being challenged to use their minds creatively to design products, and teams of students working together to solve problems and engaging in research with much less traditional lecture and question-response teaching than was indicated in the last evaluation. The committee saw examples of differentiation, not in every class, but consistently across the school.

Strengths include the extra and co-curricular activities, clubs, student-designed classes, and the senior mentorship/internship options which give students opportunities to pursue their own interests. Unique in the state, a wide variety of classes are offered in World Languages and Social Studies. Support for students' emotional health and social well-being are integrated in the fiber of the school community.

The team recommends that the school consider how best to update its technology, both instructionally in classrooms and for implementation of student "one-to-one" computer access for functionality and equity.

The Visiting Team found that Maggie L. Walker Governor's School continues to be an exceptional school, well deserving of the commendations it receives, and thriving under its current leadership. The Team recommends that the Virginia Department of Education continue its support of MLWGS.

The full report is available in the January Regional School Board packet.

E. One-to-One Laptop Initiative Presentation by David Bortz, Chief Technology Officer of MLWGS

Highlights of MLWGS Staff Survey:

- 70 Staff members responded
- 50% of respondents have worked in an environment with school-managed student devices, and
- By a nearly 9-1 margin (88.6% to 10%), Staff prefer a Windows-based device over a Chromebook, citing flexibility, compatibility, and familiarity

MWtech

Regional School Board Report | 16JAN2025

Highlights of MLWGS Partner Division Survey:

- All 14 partner division <u>tech directors</u> replied
- All 14 partner divisions support 1:1 student device programs for grades 9-12
- 10 partner divisions utilize PowerSchool, most use M365 and/or Google Workspace
- All utilize on/off campus content filtering
- All utilize a mobile device management (MDM) platform

Regional School Board Report | 16JAN2025

Our recommendation:

- Windows-based device for students 1:1 Fall 2025, add class each year until 2028
- Would need RSB approval by February meeting to make planning/procurement goals, and provide notification to newly accepted students in March

MWtech

Regional School Board Report | 16JAN2025

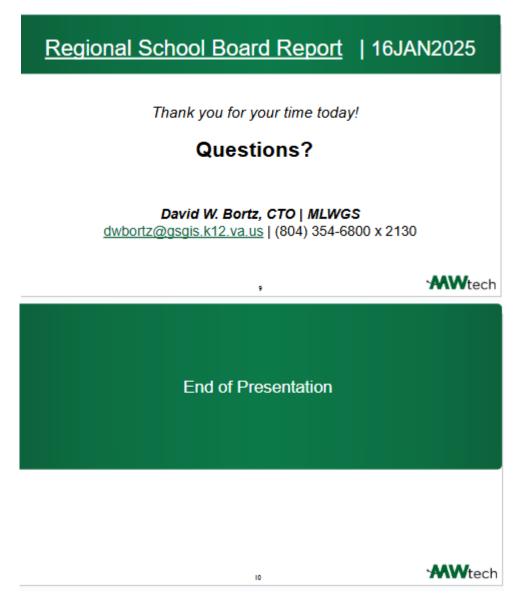

Funding modifications: An additional 0.6% for FY26*

FY25 Tuition \$10,200 x 0.006 = \$61.20/student

- Increase to 900 managed devices by 2028 (from 400)
- Utilize same MDM (Intune), change cloud filtering platform, reduce current school-based devices (mobile carts, desktop labs)
- Retask MWtech staff roles; need additional skill sets at Helpdesk level
- Expand relationships with current vendors for additional support
- Student Technology Fee (device repair pool)

*Future FY increase determined by tuition increase request.

The following comments for the one-to-one presentation portion of this meeting were taken by Wendy DeGroat, MLWGS Librarian and submitted here due to recorder malfunction:

- Mr. Bortz (@ MLWGS since 2016) shared his recommendations with the Board.
- Dr. Pennycuff (Hanover) said that Hanover provides their students with Chromebooks and asked why they should fund Windows devices here since they're more expensive.
- Ms. Moses (Goochland) clarified whether it would be a 0.5% or 0.6% increase; Mr. Bortz clarified it would be 0.6% tuition increase.
- Dr. Pennycuff reiterated her concern about the additional cost for Windows devices v. Chromebooks, calling the cost for Windows devices "excessive."
- Ms. Atkins (Henrico) asked about existing and projected tech staffing. Mr. Bortz said he anticipates additional vendor management costs and additional duties for tech staff.

- Ms. Atkins asked for more information about leases. Mr. Bortz said now we stretch the cost of sizeable leases over three years; anticipates changing to a four-year cycle and, when possible, large upgrade costs (like servers) may be stretched over five years.
- Ms. Atkins asked whether there's been a conversation on developing a CIP, because in five or ten years, MLWGS would need a CIP to manage ongoing funding for this aspect of the school's expenses. Mr. Bortz explained that the board has approved a CIP in the past but not approved related funding.
- Ms. Donbrosky asked about filtering. Mr. Bortz explained that 1:1 expands filtering needs to off-campus; he's modeling the plan for MLWGS on how Henrico handles this.
- Ms. Kathryn Ricard (Richmond) asked about anticipated changes in technology infrastructure. Mr. Bortz said the number of devices on the network should be similar and the system has capacity to handle more than it currently does.
- Ms. Ricard asked for clarification about whether 0.6% would be for all students or just freshmen. Dr. Smith and Mr. Bortz clarified it would be for all students.
- Dr. Teigen (Powhatan) asked if 0.6% would go away after four years. Dr. Smith clarified that it would not go away. They anticipate a 0.6% increase per year for four years and then stay at the fourth-year level.
- Dr. Pennycuff asked Mr. Bortz to provide per-student pricing estimates for Chromebook vs. Windows devices.
- Ms. Atkins requested that the questions and answers in this discussion be summarized in the minutes, and prior documents gathered that had been referenced. For instance, she'd like to see the previous work on a CIP plan. Dr. Smith said he could provide that info and said that the CIP plan was approved in 2016 but funding was not approved.
- Ms. Moses requested that Ms. Marshall compile this segment of the minutes before she'd typically send the full minutes so that Ms. Moses could share those notes with her Board and superintendent prior to their next meeting on Feb. 11.

XVI. Unfinished Business

a. Strategic Plan Implementation Report

Dr. Smith provided a brief overview of the current report. Most of today's discussion centered around the upcoming development of the new 5-year strategic plan that will occur this winter/spring to replace the expiring plan on June 30, 2025. Dr. Smith encouraged members of the board are welcome to assist with plan development.

The current report is located between the end of these minutes and the start of the budget work session minutes.

XVII. Consent Items

On a motion by Meredith Moses, seconded by Linda Hyslop, the following consent items were unanimously approved as a block on a voice vote: personnel actions for January 2025, fiscal status reports of November 30, 2024, and December 31, 2024, and the donations reports of November 30, 2024, through December 31, 2024.

On a motion from Lisa Hudgins, seconded by Kathryn Ricard, the 2025 finance committee members were unanimously approved on a voice vote.

g. School Advisory Committee Membership 2024-2025 (No Action Required)

The School Advisory Council (SAC) has not held a meeting this school year.

The school administration is discussing SAC and thinks that we will use this time to create suggestions on ways to move forward--with SAC still playing a critical role. Though we are getting so much accomplished through our teacher subcommittees, there is still a place for SAC. The school is scheduled to update its strategic plan next year and what we produce will serve to guide our discussion about how to make some modifications and provide clearer direction to SAC members.

i. International Trip Proposal to Morocco for the MENA Senior Seminar, March 26, - April 4, 2025 (Waive First Read Requested)

This action is placed here in the minutes and on the agenda; however, it occurred after the one-to-one presentation and its discussion to allow Ms. Cross to return to her classroom for instruction.

Sponsors: Robinette Cross and Kelly Ndayizigiye

The "Gender and Culture in the Middle East and North Africa" (MENA) Senior Seminar explores the elements and evolution of cultures in the MENA region in the twentieth and twenty-first centuries. Morocco provides an excellent cultural pivot point by joining east and west; traditional and non-traditional; and allows students to explore a cultural amalgamation that is unique and shaped by geography, religion, and colonial experience. The seminar made MLWGS history in the 2016 – 2017 academic year with a successful trip to Morocco marking the school's first trip to both the continent of Africa and the MENA region in general. It successfully ran for four years.

It is with overwhelming anticipation and excitement of both the students and the instructor that a trip to Morocco will be approved.

Cities and Activities:

Pick up and drop off at the airport (Mohammed V) in Casablanca

Marrakesh

Merzouga

Fez

Chefchaouen

Meknes

Rabat

Casablanca

Chaperones:

Robinette Cross Kelly Ndayzigiyie

Price Breakdown of trip cost - All meals, ground transportation, hotels, and excursions are included.

Financial Breakdown:

Fez Sahara Tours costs (to include the aforementioned breakdown):

\$2,019.23/ per student (\$26,520)

Royal Air Maroc (14 passengers)

**\$1,153.85/ per student (\$15,000)

Trip Cancellation Insurance through Allianz Global Assistance \$125/ per traveler (\$1,870)

(Basic Trip coverage: Trip cancellation, trip interruption, emergency medical and dental, and emergency evacuation)

Richmond Limousine

Approximately \$2,000

Total:

**\$45,120 or \$3,470/student

Fundraising Efforts:

Students of the MENA seminar and Mrs. Cross met in August to discuss fundraising activities. There are allocated MLWGS Foundation funds of up to \$20,000 to offset the cost of the trip, leaving out-of-pocket family costs \$1,400.

As such, it is the expectation that students will not incur a cost of more than \$1400 (4 installments) paid per family, which is reasonable. If a student exhibits great need, the funds that have been allocated from the MLWGS Foundation will be used to offset those costs.

The Chair called for a motion to waive the first read and approve the 2025 student international travel proposal to Morocco in March 2025. A motion from Kenneth Pritchett to waive the first read and approve this trip request was made, seconded by Kathryn Ricard, waiving the first read for this action and approval of requested an international travel proposal for students in March 2025 was unanimously approved on a voice vote.

XIX. Materials for Board Review and/or Discussion

a. Amended Policy Proposals (First Read)

The Policy Steering Committee offers the following for Regional School Board consideration.

The policies listed were adopted in the early years of the school but never finalized into a policy format and directory. They either lived in an old policy binder, or the student or admissions handbooks.

FINAL	RL	NAME	NEW/AMENDED	DESCRIPTION
		School Board Governance		
	<u>1034</u>	Change of Residency	Amended	Adopted 1997 and found only in binder; however, this is the practice that has been followed

FY26 BUDGET WORK SESSION MINUTES REGIONAL SCHOOL BOARD

The Maggie L. Walker Governor's School for Government & International Studies 1000 N. Lombardy Street, Richmond, VA

Thursday, January 16, 2025

11:10 a.m.

Many members were unable to stay for the work session due to other meeting commitments.

Present:

Ms. Meredith Moses, *School Board*, Goochland County Public Schools

Ms. Harwood Hall, *School Board*, King & Queen Public Schools

Ms. Heather Donbrosky, School Board, New Kent Public Schools

Mr. Kenneth Pritchett, School Board, Petersburg Public Schools

Dr. James Taylor, *School Board*, Powhatan Public Schools

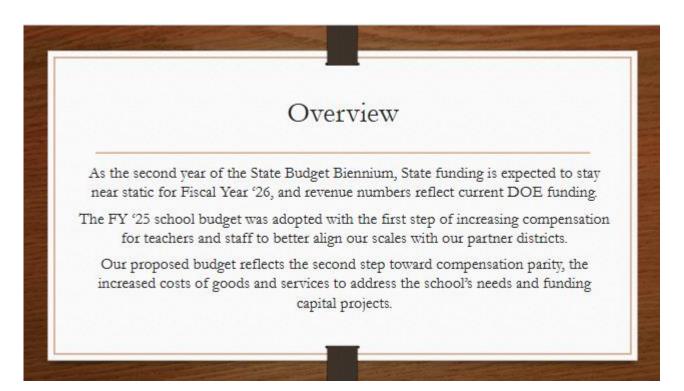

Dr. Michael Smith, Assistant Director, Maggie L. Walker Governor's School

Ms. Barbara Marshall, Clerk, Maggie L. Walker Governor's School

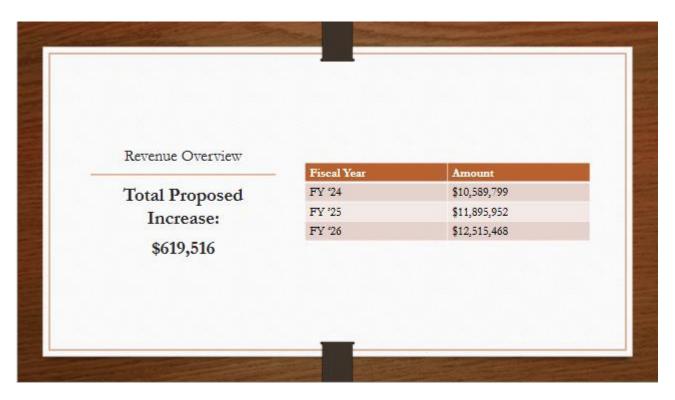

Mr. Lucas Veale, **Deputy Clerk**, Maggie L. Walker Governor's School

Dr. Smith presented the Director's Executive Summary of the proposed fiscal year 2026 budget proposal:

	<u></u>	2
	Description	Amount
Revenue Detail	Local Contribution: 797 students x \$10,863 (6.4% tuition increase)	\$8,657,811
otal FY '26:	Building Rental	\$7,000
\$12,515,468	Salary Supplement Incentive	\$12,500
	Dual Enrollment	\$30,000
	Technology Initiative	\$26,000
	Building Reserve and Carryover	\$200,000
	State Contribution	\$3,582,157

Thoughts Going Forward

- Funding outlook for FY'26 (6.4% Tuition Increase)
- One-to-one initiative would require an additional .6% Tuition increase sustained for the next 4 years (Total Tuition Increase FY'26 7.0%)
- · Need to continue de-compress salary scale
- Need to find a way to fund capital improvement separately from general operating budget
- · Funding from the Commonwealth expected to be somewhat static

The chair expressed gratitude to the assistant director for the informative presentation. The board members present then discussed its content. Ms. Moses inquired about the reasons behind the reduction in the security budget. Dr. Smith explained that the current budget includes funding for overlapping security officers during lunch periods, which has proven unnecessary. Therefore, they plan to eliminate this overlap in FY2026.

The group briefly discussed the creation of a funded Capital Improvement Plan (CIP) moving forward, and ideas are still developing.

The work session was adjourned at 11:30 am.
