

COMMERCIAL, PROMOTIONAL AND CORPORATE SPONSORSHIPS AND PARTNERSHIPS

Generally

The Maggie L. Walker Governor's School Regional Board recognizes that corporate and other private sponsorship of programs and activities related to education can provide valuable enhancement of the educational program offered by the Regional Board. For that reason, the Maggie L. Walker Governor's School Regional Board may enter into commercial, promotional and corporate sponsorship and partnership arrangements under certain conditions.

Definitions

An "educational partnership" is a mutually beneficial, co-operative relationship in which partners share values, objectives and/or human or financial resources to enhance learning for students.

An "educational sponsorship" is an arrangement pursuant to which the sponsor provides money, price reductions, equipment, materials, services or other benefits in exchange for recognition of its products or entity for a specified period of time.

Authority to Enter into Agreements

On behalf of the Regional School Board, the executive director may enter into sponsorships and partnerships for their schools when the sponsorship or partnership does not extend beyond a single school year or exceed \$5,000 in value to the school.

The Regional School Board may create a Sponsorship Review Committee to approve any sponsorship or partnership which the Regional School Board determines should be considered by the Committee. The Regional School Board shall establish criteria identifying proposed sponsorships and partnerships which must be approved by the Committee rather than by the executive director. If the Committee's decision regarding the proposed sponsorship or partnership is not unanimous, the decision may be appealed to the Regional School Board by either the potential sponsor or partner or by a member of the Sponsorship Review Committee.
