

## **TEACHING ABOUT DRUGS, ALCOHOL TOBACCO, GAMBLING AND ELECTRONIC DEVICES**

Maggie L. Walker Governor's School provides instruction concerning

- drugs and drug abuse;
- the public safety hazards and dangers of alcohol abuse, underage drinking, underage marijuana use, and drunk driving;
- the health and safety risks of using tobacco products, hemp products intended for smoking, nicotine vapor products, alternative nicotine products;
- gambling and the addictive potential thereof; and
- time spent using electronic devices such as computers, cell phones, and other smart devices and the addictive potential thereof.

The Regional School Board provides a program of instruction on opioid overdose prevention and reversal in the school with grades 9 through 12, which includes instruction in identifying the signs of possible opioid overdose and training in the administration of an opioid antagonist for the reversal of a potentially life-threatening opioid overdose. This program is provided in grade(s) 9 and 10.
